About Toyota

Toyota (NYSE:TM) has been a part of the cultural fabric in the U.S. for more than 60 years, and is committed to advancing sustainable, next-generation mobility through our Toyota and Lexus brands, plus our nearly 1,500 dealerships.

Toyota has created a tremendous value chain and directly employs more than 36,000 in the U.S. The company has contributed world-class design, engineering, and assembly of more than 30 million cars and trucks at our 9 manufacturing plants, 10 including our joint venture in Alabama that begins production in 2021.

About AARP

AARP is the nation's largest nonprofit, nonpartisan organization dedicated to empowering people 50 and older to choose how they live as they age. With a nationwide presence and nearly 38 million members, AARP strengthens communities and advocates for what matters most to families: health security, financial stability and personal fulfillment. AARP also produces the nation's largest circulation publications: AARP The Magazine and AARP Bulletin. To learn more, visit www.aarp.org or follow @AARP and @AARPadvocates on social media.

About The Legacy Center

The Legacy Center, Inc. offers the first and only non-profit, intergenerational day program for adults diagnosed with all forms of Dementia and Traumatic Brain Injury (TBI) in Madison County. No adult has a desire to attend "Day Care." We believe that no matter the impairment everyone deserves to have meaningful days filled with purpose, laughter, and lots of LOVE! Our programs combine the Arts, Competent Care, and Sensory Engagement. The Legacy Center, Inc., has created a community that supports the individual's right to remain in the least restrictive environment for as long as possible in a way that best preserves assets, dignity, and independence.
